## Conference Highlights

### FIREFIGHTERS MEMORIAL MARCH

Firefighters from across the country and other nations will participate in a memorial march that pays tribute to those who have lost their lives in the line of duty and to those who risk their lives every day to serve, protect, and save lives.

### BUILDING COALITIONS AND PARTNERSHIPS

Union leaders from across the country will participate in panels and roundtables to discuss strategies that will strengthen the association's relationship with local unions.

### LESSONS LEARNED FROM 9-11

A panel of experts will discuss the lessons that were learned in 2001 and the past five years when it comes to responding to a disaster of the magnitude of the attack on the World Trade Center towers in New York City.

### LESSONS LEARNED FROM KATRINA

This workshop will explore the lessons from one of the worst hurricane disasters the United States has faced. Are we prepared to handle another *Katrina*? How do we prepare?

### LESSONS LEARNED FROM RITA EVACUATION

During this workshop, participants will discuss the ways fire and rescue departments can work with the cities, counties and federal agencies to ensure a safe and timely evacuation of a community endangered by hurricanes or other natural disasters.

### PUBLIC SAFETY DAY

A day of public education programs for the community, teachers and students. Fire safety and fire prevention programs will be presented to families, teachers and students.

#### ◆ **Mis Primeros Pasos: Learn Not To Burn**

This bilingual workshop designed for educators teaches how to effectively present fire safety information to preschool and elementary school children.

#### ◆ **Los Buenos Recuerdos: Remembering When**

This bilingual workshop teaches caretakers working with the elderly how to present fire safety and fall safety information to senior citizens.

### OTHER FEATURED WORKSHOPS

- ◆ National Bilingual Standards
- ◆ Entry Level Spanish for Firefighters
- ◆ Fire 20/20
- ◆ Promotional Exams and Assessment Centers
